AMIT KUMAR

Senior Software Engineer

Address: Birkhahnweg 10, 80997 Munich, Germany
Contact: +491 5510058139**| Email:** amitkumar5524@yahoo.com
LinkedIn: https://www.linkedin.com/in/amit-kumar-02201894/
Nationality: Indian
Work Authorization: Eligible to work in Germany under the Chancenkarte program (Validity: 25-02-2025 to 26-02-2026)

PROFILE SUMMARY

Results-driven Senior Software Engineer with 10+ years of expertise in designing, developing, and deploying scalable web applications and enterprise solutions. Proven track record of leading cross-functional teams, optimizing system performance, and delivering high-impact software solutions. Skilled in full-stack development, cloud technologies (AWS), and modern DevOps practices (Docker, Kubernetes). Adept at leveraging Agile methodologies to drive innovation, improve team productivity, and exceed client expectations. Passionate about solving complex technical challenges and fostering a culture of continuous learning.

SKILLS

Programming Languages: PHP, JavaScript, TypeScript
Frameworks & Libraries: Laravel, Symfony, PHP and PHP frameworks, WordPress, Magento, Bootstrap
Frontend Technologies: HTML, CSS, JavaScript, TypeScript
Databases: MySQL
DevOps & Tools: Docker, Kubernetes, AWS, JUnit, Mockito
Methodologies: Agile, Scrum, CI/CD

WORK EXPERIENCE

Jun 2023 – Present	**Senior Software Engineer**
	**Relx Group	Bengaluru, Karnataka, India**

- Spearheaded designing and implementing scalable software solutions using AWS, PHP and its associated frameworks, namely Laravel and Symfony, reducing system latency by 20% and enhancing overall performance.
- Conducted rigorous code reviews, ensuring adherence to coding standards, best practices, and quality benchmarks, resulting in a 15% improvement in code quality.
- Mentored and coached 5+ junior developers, fostering skill development and improving team productivity by 15%.
- Collaborated with cross-functional teams to deliver projects within Agile timelines, achieving 100% on-time delivery and exceeding client expectations.

Dec 2019 – May 2023	**Senior Software Engineer**
	**Sinarmas Digital	Bengaluru, Karnataka, India**

- Led a team of 5 junior developers, providing technical guidance and fostering a culture of continuous improvement, resulting in a 25% increase in client satisfaction.
- Automated unit testing processes using JUnit and Mockito, reducing bug rates by 30% and improving software reliability.
- Diagnosed and resolved critical production issues by analyzing system logs, achieving a 40% reduction in downtime and enhancing system stability.
- Leveraged customer feedback and system analytics to drive product enhancements, contributing to a 15% increase in user engagement.

Jan 2014 – Nov 2019	**PHP Developer**
	**01 Synergy	Ludhiana, Punjab, India**

- Designed and maintained web-based applications using PHP frameworks, improving system efficiency by 20% and reducing operational costs.
- Collaborated closely with clients to gather requirements and deliver tailored solutions, achieving a 95% client retention rate.
- Optimized database queries and application performance, reducing load times by 25% and enhancing user experience.

Sep 2013 – Dec 2013	Industrial Trainee

| | HB Infotech Solution | Bengaluru, Karnataka, India |
| | • Assisted in developing web applications using PHP technologies, gaining hands-on experience in full-stack development and contributing to project success. |

EDUCATION

Master of Computer Applications (M.C.A)

Lovely Professional University (LPU) | 2013

Bachelor of Computer Applications (B.C.A)

Punjab Technical University (PTU) | 2011
